- If there is any uncertainty or controversy, please refer to our final explanation.

Start to Use

Imou App

If Imou app has added the Alarm Station, add the detector according to app prompts.

Note:
If the detector has paired with another Alarm Station, you can undo previous pairing by quickly clicking tamper switch for 5 times to clear the existing pairing configuration.

Installation

1. Drill holes according to bracket hole positions.

2. Insert expansion pipes into the holes.

3. Fix the bracket with screws.

4. Put the device into the bracket.
